Surely Bright

Qingdao Surely Bright Candle Co.,Ltd is located in Qingdao, Shandong, China. We run our own factory which covers 10000 square meters and have the ISO9001:2008 CERTIFICATE, and we won the provincial level "Re-contract and trust worthy enterprise". Our factory was founded in 1998 and specialized in manufacturing and exporting all kinds of candles. We are engaged in the business of designing, manufacturing and marketing candles that meet customer's needs and requirements in terms of design, quality and price.

Our main products are pressed white /color tea light candles, molded color tea light candles with various scents, engraving ink craft molded candles, floating candles, all size of pillar candles, taper candles, spiral candles, church candles, votive candles, cemetery candles, glass jar candles, poured candles in glass jar and tin cans, our candles are mainly used for Home decoration, wedding/Valentine's day decoration, Christmas decoration, hotel decoration and many other various festival decoration. You can choose high quality paraffin wax and the organic soy wax as candles material. Nowadays, candle can not only be lighting, also can be pleasure of your body and mind! Our candles through a variety of color, natural oil and natural material and shape to build a kind of romantic, pleasure and mysterious feeling to people. They are very fashionable, popular and has the prospects for development so they sell very well abroad.

Choose " BRIGHT " is to choose a brighter tomorrow !

We are willing to build a BRIGHT further with you hand-in-hand.
